2 The home

A premium villa-style home on the Atlantic Seaboard with open sea and Twelve Apostles mountain views. Inside: a fitted kitchen with Bosch, Whirlpool and Samsung appliances, an open living and dining room with plantation shutters, and two double bedrooms that each have their own bathroom — one facing the sea, the other looking onto Lion's Head, with a walk-in dressing cupboard, a safe and a walk-in shower room. A work desk in each bedroom, underfloor heating and split-system air-conditioning. Outside: a decked patio with a gas braai and a hanging egg chair, and a terraced garden of vines and lavender. The House Manual explains how each appliance and system works.
