3 Airbnb listing — description (draft)

Wake up to the Atlantic and the Cape Town skyline from this characterful Green Point home, built for sunshine and entertaining. Sweeping views stretch over the city, the sea and Cape Town Stadium, best enjoyed from a series of sun terraces, a private plunge pool, and a covered braai made for long summer evenings. Inside, an open-plan living area opens to the view, with a fully equipped kitchen, comfortable bedrooms (the main with its own sea outlook), and stylish, playful interiors. Low-maintenance lawns make it easy and relaxed for families. Moments from the Promenade, Sea Point's restaurants and the V&A Waterfront — with the whole peninsula on your doorstep.

4 Booking.com — property description (draft)

Set in sought-after Green Point, this stylish home offers panoramic sea and city views, a private plunge pool, multiple outdoor terraces and a covered braai. The open-plan living area and fully equipped kitchen open onto the view; comfortable bedrooms and modern bathrooms complete the home. Ideal for families and groups seeking space, sun and an unbeatable Atlantic Seaboard location close to the Promenade, beaches and the V&A Waterfront.
